Subject: Hidden Hollow ~ Monday's Meeting

Hello Madame Mayor and Town Council Members:

My name is Kirk Hansen. My brother Jim and I wanted to take a quick moment to introduce ourselves as the owners of the Hidden Hollow. I first wanted to let you know how cooperative the Town staff has been over the last several months. Through the Town staff's cooperation and the dedicated efforts of many local professionals we have been able to keep the project on track and as of yesterday, we have submitted an updated PUD sketch plan for your vote on Monday night at the Town Council meeting. We believe that the detailed information in our packet addresses each topic that was raised by the different Town departments.

We are extremely excited for Monday's meeting. We have owned businesses, hired employees, and dealt with the housing issues in Jackson for almost 30 years. We purchased this ground once we recognized the positive impact it will have on the lives of those that work in Jackson and want to call it home.

Our hope is that Monday night you will vote on our project so that we can break ground this fall. Many people are reaching out to us and join with us in our goal of delivering the first phase of housing units in 2017. As you review the detailed packets in preparation for Monday's meeting, please let us know if we can do anything on our end as we stand available to answer your questions in preparation for the meeting.

Best regards,

Kirk & Jim Hansen
