FOR IMMEDIATE RELEASE  
**The Town of Jackson and Teton County Honored as  
Preserve America Communities**

Jackson, WY., May 28— The Town of Jackson and Teton County yesterday celebrated their designation as two of the nation's newest Preserve America Communities in a public event, attended by Advisory Council of Historic Preservation Chairman, John Nau.

Mark Barron, Mayor of the Town of Jackson and Hank Phibbs, Chairman of the Teton County Board of Commissioners each received a certificate of designation signed by Mrs. Bush and a road sign for their respective communities. Communities designated through the program receive national recognition for their efforts. Benefits include the right to use the Preserve America logo on signs and promotional materials; eligibility for Preserve America Grants; notification to state tourism offices; and listing in a Web-based directory that showcases the Town and County preservation efforts and heritage tourism destinations. Preserve America Communities are also

featured in National Register Travel Itineraries and in “Teaching with Historic Places” curricular materials created by the National Park Service.

For more information about the initiative and its programs, visit [www.preserveamerica.gov](http://www.preserveamerica.gov).
